Table of Contents

Package varnishapi was not found in the pkg-config search path 1

Package varnishapi was not found in the pkg-config search path

Jika anda mendapati error ini pada varnish 4.x

```
Package varnishapi was not found in the pkg-config search path.
Perhaps you should add the directory containing `varnishapi.pc'
to the PKG_CONFIG_PATH environment variable
```

kemungkinan anda belum menginstall paket varnish secara lengkap

solusinya coba lakukan installasi paket ini

```
yum install varnish-libs-devel
```
